**Judy Note:** The below “Declaration of the People” was sent by the Alliance through Charlie Ward for publication on **Sun. 5**

**September 2021.** They described it as a “Blueprint for What the Future Holds”:

## **Declaration of the People of the United States for Global Peace and Prosperity**

**WHEN** in the Course of recent human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume among the Powers of the each State in the United States, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them! A decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation from the authorities imposed by those Oligopolists that control all via corruption and influence.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness—-That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such

Form, as to them shall seem most likely to affect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly all Experience hath shewn, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these States in the United States; and such is now the Necessity which constrains them to alter their former Systems of Government. The History of the present influence of oligopolists supporting the secret societies such as the Illuminati Cabalist is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over not only the great people of the United States but all people of all nations in the Globe. To prove this, let Facts be submitted to a candid World.

They refused Assent to Laws by corruption of the truth of which is evidenced by the 2020 US Elections Fraud and Misrepresentations at every level, We the People have been usurped of our legal right to exercise and see through our basic right to vote, the most wholesome and necessary for the public good and proper representation.

They have forbidden elected Officials including Governors to pass Laws of immediate and pressing Importance imposing rules based on false reporting and public fear created by false narratives and misinformation such as the COVID strains of infection and the true cures that can remove the infections. They have imposed fake solutions like the COVID Declaration of the People of the United States for Global Peace and Prosperity injections of poison elements, which is most dangerous altering the Human DNA with RNA and thus eliminating the human body from its own natural immune function of battling illness. This alone can cause the loss of life in the future up to 70% of all those persons who have taken the fake vaccines promoted by all means of media under the control of the same cabal Illuminati oligopolists.

They refused to pass or enforce Laws for the Accommodation of the People, unless those People would relinquish the Right of Representation by compliance when taking the COVID Fake Vaccines and signing a waiver of liability.

They, in the State Legislature, are not representatives of the people but by Tyrants only passing illegal laws subjugating the people to false narratives and mandate promoting a global plan of population reduction with tactics including wars, food shortages, food modification causing long term illness, disabling of the human body's immune system.

They called together State Legislative Bodies at Places unusual and distant from the Depository of their public Records, for the sole Purpose of planning into Compliance with Measures to ensure the depopulation of humanity and retain resources for their agenda.

They have dissolved True State Representative Houses repeatedly by vote manipulation, placing candidates who are representing only the Tyrant Oligopolist and

their policies, for opposing Invasions on the Rights of the People.

They have refused for a long Time, after such Dissolutions of legal lawsuits by representatives of the people, to cause others to be elected illegally using compromised Dominion voting systems and technology; whereby the State Legislative Powers, incapable of proper and real representation of the people, have not responded to truth so now this power and authority must be returned to the People at large for their exercise and correction; the State remaining in the meantime exposed to all the Dangers of Invasion from within compromised representation and Convulsions within without current resolutions.

They have endeavored to prevent the Population of all States to cast votes for representatives to all levels of office to enforce secret agendas that specifically aim to harm us the people in all states and all nations globally.

They have grossly obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary Power and authority in true Justice. We the People in all

areas of domestic Law Enforcement, domestic and international Military engagement have all been restricted and directed by those compromised authorities above them to follow the false narratives of the tyranny of the influence and directions of the Cabal Illuminate Cabalist Oligopolists.

They have made domestic, regional and supreme Judges dependent on their will alone, for the Tenure of their Offices, and the Amount and Payment of their Salaries.

They have erected a Multitude of new Offices, and sent hither Swarms of Officers to harass our People, and eat out their Substance with new stimulus funds and disabling normal businesses to thrive and function with fake pandemic schemes and fear. This has turned from a temporary solution to becoming a state of Nazi Gestapo declaring "Show me your Papers."

They kept among us, in Times of Peace, Standing UN and other NATO Armies, without the consent of our Military Leaders who have not been compromised. They have been affected to render the Military independent of

and superior to the Civil Power. They offend the American People with a fake administration causing reckless policy to the detriment of National Security.

They have combined with others to subject us to a Jurisdiction foreign to our Constitution, and unacknowledged by our Laws; giving his Assent to their Acts of pretended Legislation:

For quartering large Bodies of Foreign Armed Troops near us:

For protecting them, by a mock Trial, from Punishment for any Murders which they should commit on the Inhabitants of these United States with the use of fake vaccines that have killed tens of thousands of Americans and Millions of others worldwide:

For cutting off our Trade with all Parts of the World in closing our businesses with fear and new policy surrounding a fake COVID and other Pandemic Measures:

For imposing Taxes on us without our Consent:

For depriving us, in many Cases, of the Benefits of Trial by Jury with assassinations of witnesses of truth regarding those in power causing such abuse:

For transporting and human trafficking for the purpose of satanic human sacrifices and the practice of Adrenochrome use with the torture and murder of young children:

For abolishing the free System of Constitutional Law, operating in Maritime or Admiralty Law establishing therein an arbitrary United States Corporate Government already bankrupt, and enlarging its Boundaries, so as to render it at once an Example and Declaration of the People of the United States for Global Peace and Prosperity fit Instrument for introducing the same absolute Rule of the people not only in the United States but Globally:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the true Forms of our Governments of the will of its people:

For suspending our own legally elected Legislatures replacing them with fake voted

candidates, and declaring themselves invested with Power to legislate for us in all Cases whatsoever.

They have abdicated the true United States Government, by declaring us out and without rights and waging War against us, killing us softly with vaccines altering our DNA with RNA, HIV and other poisonous elements.

They have destroyed the Lives of Millions of the People of the United States and continue to kill millions globally recklessly with careful precision.

They at this Time, transporting large Armies of foreign UN and Chinese Military to complete the Works of Death, Desolation, and Tyranny, already begun with circumstances of Cruelty and Perfidy, scarcely paralleled in the most barbarous Ages, and totally unworthy to Head of a civilized Nations. Their tools of choice include leadership of Federal Government Agencies such as the CDC, FDA, UN, CCP, and agencies CIA, FBI, MI6, with Government authorities in Central Banks robbing all sovereignty of nations and its people.

They have constrained our fellow People, Citizens of many nations, taken to bear Arms against their Country, to become the Executioners of their Friends and Brethren, or to fall themselves by their Hands. Our military and Law Enforcement are being subjugated to follow illegal orders and the invasion of their own bodies with the forced fake COVID-19 vaccinations.

They have excited domestic Insurrections amongst us with Black Lives Matter and Antifa movements of violence, and have endeavored to bring on the Inhabitants of our communities, cities and government, the merciless Rule of Warfare, is an undistinguished Destruction, of all Ages, Sexes and Conditions.

In every stage of these Oppressions we have Petitioned for Redress in the most humble

Terms: Our repeated Petitions have been answered only by repeated Injury. A Prince, whose Character is thus marked by every act which may define a Tyrannical group of oligopolists who have been unfit to be the

influence of Rule of the free People of the United States and all other nations abroad.

We have been wanting attention from our Brethren here in the United States and abroad and we have warned them from Time to Time of Attempts by their fake Legislature to extend an unwarrantable Jurisdiction over us. We have reminded them of the Circumstances of our lives here. We have appealed to their native Justice and Magnanimity, and we have conjured them by the Ties of our common Kindred to disavow these Usurpations, which would inevitably interrupt our Connections and Correspondence. They too have been deaf to the Voice of Justice and of Consanguinity. We must, therefore, acquiesce in the Necessity, which denounces our Separation, and hold them, as we hold the rest of Mankind, Enemies in War, in Peace, Friends.

We, therefore, the Representatives of the UNITED "STATES" OF AMERICA, in the Name, and by Authority of the good People of this great nation, solemnly Publish and Declare, That these United "States" are, and of Right ought to be, Free and Independent States; that they are absolved from all Allegiance to the

Oligopolists, cabal illuminati secret societies, and that all political Connection between them in the United States and Abroad, is and ought to be totally dissolved; and that as Free and Independent United States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent countries may of right do. And for the support of this Declaration, with affirm Reliance on the Protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes, and our sacred Honor and start immediately with contacting our state legislatures to make the changes to protect our individual rights and liberties, starting with guarding our most basic right which is to protect our votes and the processes and devices to have true and honest elections.

We the People have the authority to enforce our rights at the State level which can correct all that has gone wrong and control the outcome of our future and freedom to live under the constitution without the evil that has become part of everyone's daily lives.

Action to take today is that each person in each state write a letter addressed to each state representative, legislator, and senator demanding the reforms and corrections to change via new legislature the laws needed to eliminate specific corruption in the state government protecting its state residence.

Specifically addressing the following issues:

1.) Real voting technology that cannot be compromised. Such as the QFS delivery software and hardware instead of the dominion based systems.

2.) Protection of our individual liberties such as the right to choose what medical treatments are acceptable and not acceptable such as the issues of the unwanted COVID-19 vaccines.

This shot contains many elements that will compromise the human DNA with mRNA and HIV as well as other negative elements.

Declaration of the People of the United States for Global Peace and Prosperity

3.) Compensation and liability for harm against those whom have been coerced into taking the COVID 19 vaccination via Mass Media Influence and Federal Government Influence as well as

mandates with illegal passage of the use of the Vaccine approvals from the FDA and other federal agencies all influenced by that agenda of the globalist oligopolist cabal organizations such as the Federal Reserve Board (FRB), United Nations (UN), Council on Foreign Relations (CFR), Central Intelligence Agency (CIA), Federal Bureau of Investigations (FBI), Department of Justice (DOJ), International Monetary Fund (IMF), Bank of International Settlements (BIS), Internal Revenue Service (IRS), and any other agency or group that have influence in the affairs of the people of the United States that have assaulted our own individual freedom and liberties in the pursuit of happiness.

4.) Removing all restrictions and to stop promoting fear concerning COVID-19 and any other medical issues to control and destroy our individual liberties to work, earn and spend which is the basis of a healthy economy.

We rest with peace and the love of mankind. We desire life not death or planned genocide and shall enforce all measures of this being corrected to save our Nation from demise and destruction.

## **C. Exclusive from Gen. Flynn: We Are in the Midst of a Fascist Power Grab**

American “leaders” have reneged on American honor and dignity. Foreign policy is being dictated by our enemies. It’s unstated so far, but in my judgment, we’ve surrendered. This is a complete and total disaster, and our enemies will shame us forever. The entire chain of command should immediately resign in disgrace. (And the president should step down:

Clearly, he is incapable of making clearheaded decisions and placing the safety and security of American citizens as his highest priority — that is what a president is supposed to do!) Those left behind will be enslaved, raped, pillaged, converted or brutally killed.

Globally, our foreign policy is in shambles, and our national security is thus at grave risk. Yes, our nation-state adversaries (China, Russia, Iran, North Korea) and non-nation-state actors (ISIS, al-Qaida and Hezbollah, to name a few) are rising and on the move. Like when a great white shark smells blood in the water, the time

to attack is imminent. We had better be prepared!

Combine this statement with the litany of domestic failures and challenges:

Gross increases in illegals entering our country; an election system that Americans no longer trust; an American electorate's complete loss of faith in any federal institution (I mean zero); COVID confusion with all of our health freedoms at severe risk; a true health pandemic emanating from the illegal narcotic market where drug cartels are the "pharmacies" of the 21st century; human and child trafficking where sexual abuse has been "normalized."

There are more: Religious liberties being undermined by weak-pulpit puppetmasters and God being almost universally removed from our Judeo-Christian society, assisted by our weak political class and even weaker religious "leaders"; an education system run at the school board-level by a thuggery of policies dictated by a federal system of bureaucrats who dare to question whether to allow the Pledge of Allegiance to start the day (thugs who we've elected by the way); and lastly the continuing

efforts to defund the police in an era of dangerous and deadly rising crime rates.

And this is not an exhaustive list of threats. Are we in a rapid-spiral decline, and is this the end of the American Dream? If we are and it is, I am foolishly wasting my time traveling around the nation telling people to wake up and stand up, and that the time is now to get involved in their communities.

I do not believe I am wasting my time. I firmly believe we have many options. The truth is, we still have options in Afghanistan just as we have options at every school board across the nation.

Our nation requires a new direction, a rebirth of our founding. When our founders created this beautiful experiment in democracy, they were able to create something new out of something that didn't exist.

We still have our foundation, but now we've lost our way. Thus, we don't have to find America; we're standing on it.

What every American must now do is decide how they will act.

Many people ask me what they should do. My first response is to stop complaining. Whatever you think your talents are, whatever resources you have, whatever your personal situation is, if you sit and allow this moment in history to bypass you, you are complicit in helping America fail.

This is no longer about President Donald J. Trump; this is now about saving America from the failures of decades of an apathetic citizenry who have taken for granted our freedoms and privileges and a small but well-organized and well-funded far-left agenda of people attempting to take over America.

Yes, we are in the midst of a fascist power grab, but we the people still have options to consider. Get on your feet and do something about it! May God bless and protect America. General Michael Flynn

## **D. 2018 and 2020 Election Fraud:**

**Lin Wood:** How many local, state, and federal “elected” officials have publicly called for an audit of the 2020 election AND taken actions to achieve it? You might be able to count the number on your two hands. I believe that 97% of “elected” officials are going to jail or worse.

They are communists and are guilty of treason. Many are communists by ideology. Many have been corrupted by communist money. Some have been blackmailed. Some have been threatened. Many also follow communist ideology because of their pledges made in secret societies.

Regardless of the reason, they have ALL betrayed our country. They do not want an audit because it will prove their guilt and they will ALL pay a heavy price. As they should. It is my belief that the military fulfilled its oath to defend the Constitution and protect the American people by capturing the illegality and fraud in both the **November 2018 and November 2020** elections. I pray I am right. I believe that ALL these traitors will be exposed and condemned soon. I pray for every lie to be

revealed. Time to rest. I love We The People. I love God but more importantly God loves me because I am His child and His instrument. I believe in the death, the burial, and the resurrection of Jesus Christ. Jesus is my Lord and Savior. I pray He is yours too. God bless each one of you.

**G . Important piece of History For FWC-**

**Channel by Peter B. Meyer 5th of September 2021**

In **1868** Vatican Jesuits, with help of the Rothschilds and British Monarchy, created a global system of debt money, based on a central banking system that printed fiat notes; IOUs to legitimise themselves in non-Catholic regions. They invented Capitalism, Communism

and Nazism using secret societies like the Freemason's Ur-Lodges (<http://rm-london.co.uk/blog/free-masonry-shocking-book-italian-grand-master-gioele-magaldi-discovery-ur-lodges/>),

Knights Templar, Roundtable, Rotary and Lions service clubs. They financially controlled Britain and until the fall of 2013, owned America. In the process they instigated every major war on the planet, murdering millions of Jews, Christians and Muslims. To better understand this Cabal Satan Worship, based on Mind Control by way of child exploitation, rape and human sacrifice, more clarification can be found here:

<http://beforeitsnews.com/contributor/pages/243/590/stories.html>

Since, **1871** the USA Inc. was owned by the British, Vatican and Rothschilds. They have fooled Americans into wars for profit in a scheme to accomplish a renewed Roman Empire for the Vatican Jesuits who are the instigators behind the smoke screens. Their attacks on the populace through Food Poisoning, Chemtrails, Electromagnetic injury,

Sugar Diseases, GMO's, Wheat Modification, Vaccines, Morgellons disease, Nanotech, Aids, COVID, the Fluoridation and further poisoning of our water and the murder of Doctors by Big Pharma mercenaries, are all part of a "Soft Kill" scheme to reduce and control the world population.

The Vatican has been centrally involved in many of the behind-the-scenes machinations implicated in the 2007-2008 global financial collapse, and in the blocking of the Global Economic Security and Reformation Act – GESARA- which is the international prosperity settlement.

<http://www.toptenz.net/5-dark-secrets-vatican.php>

In **April 2008**, Joseph Ratzinger – Pope Benedict XVI – failed in an attempt to lay claim to a large tranche of the GESARA prosperity funds. He was reported as saying to close colleagues: "The little people cannot handle this money properly, but the Church can."

The dark Cabal still believes that the Light has to accept the existence of the USA Inc. as a true sign that the illegal deal forced upon America in **1871** is to be allowed to remain. What the Cabal does not know is that this reality is only a temporary condition. In effect, the noose has been put around their necks. Now this has advanced too far. Once the Cabal has been completely neutralized, a trigger will collapse the Stock Market and forcibly introduce the new worldwide financial QFS-system with gold/asset backed currencies.

The acronym NESARA stands for "National Economic Security and Reformation Act." The Act was passed by the American Congress in the year 2000. While GESARA stands for Global Economic Security and Reformation Act, which is implemented by all 209 sovereign nations of the world, and will be the most ground-breaking reformation act to sweep the planet.

The Russian and US military worked together to hijack the ship that the Chinese Communist Party was loading six stories high with containers containing weapons of mass destruction designed to cause as much damage as possible.

### **What is happening under the Zandvoort circuit?**

Zandvoort is currently world news because the Formula I Grand Prix will be held on this circuit this weekend. However, a witness has now come forward that paints a very different picture of this complex and in particular of

abuse, the Prime Minister and tunnels under the track. There is something about Zandvoort.

For decades, the name Zandvoort has cropped up in pedophile networks and child abuse; no matter how much effort the media makes to downplay this. At the end of the nineties of the last century, Zandvoort was also world news because of what was then called the Zandvoort Files.

**5,000 children who crossed the border between Mexico and the United States are missing**, columnist Steve Bannon said on his show "War Room". These are minors, including young children, who crossed the border unaccompanied by adults. Steve Bannon says that his interlocutor, Kari Lake, is an expert on investigations of child trafficking for sexual exploitation. In addition, she is going to run for governor of Arizona. "No one knows what will happen to these children. They are nameless, not American citizens, and at some point they will probably be forgotten. It's no secret that child trafficking crosses the southern border." Kari Lake is a former TV presenter, has two children. She left the post when she could no

longer reconcile with her conscience the work that she had to do, like two other women, a meteorologist and a journalist April Moss from CBS 62 and reporter Ivory Hecker from Fox 26, who noted publicly that news in the mainstream media is not disclosed in favor of large corporations.

Kari Lake: "Why doesn't the Biden administration care about this anymore? President Trump has been so sharply criticized...

They said that he would keep the children in cages. It was a lie. He simply separated the children from the adults with whom they crossed the border, because he knew that the adults with whom the children came were not family members, but traffickers. He wanted to protect the children (...) In fact, Trump did more after being told what was going on at the border. It provided conditions under which children were allowed to stay with relatives whose connection could be proved, while those who could not prove the presence of relatives were separated from the children, because there were suspicions of trafficking in children for sexual exploitation.

“Sometimes I wonder if Joe Biden hates America. Obviously, he doesn’t care what happens on our southern border. He doesn’t control the cartels. Drug cartels, human trafficking cartels. I wonder who he works for?

What he does is treason. I wonder if it is controlled by any other power that does not care about the good of the United States? I am very worried about these children and I wish that our governor would do more for them. If the government in the District of Columbia does not do this, then the state should intervene.”
