Judy Note: This is a sincere apology to those affected by the Kentucky Dec. 10 tornado and any distress caused by my re-post of an entry from Telegram by Trump +Q Great Awakening. World that read in part: “…These tornados are fake, same footage used on every network. It comes from old Italian tornados footage.”

Although the footage shown on Mass Media may have been fake, the devastation certainly was not, nor were the many victims. I sincerely regret any problems I may have caused by publishing the post.

I received the below email from Daniel and Roberta Bonk of Mayfield, Kentucky, some of many affected by the tornado:

“My husband and I have been reading your intel for a number of years, once we found it after purchasing IQD. We appreciate the compilation of international news as well. Our home is in Mayfield, Ky. Yes, Mayfield, Ky. It is one of the many towns totally decimated by the 200 mile, one plus mile wide tornado that occurred December 10th. To read several days in a row that the tornado was fake news and that it didn’t actually happen is probably as evil as any of the cabal/deep state evil that has and is affecting the stability of peace in our world.

“We respectfully request an apology to the many people who have to face each day with no house to live in, no post office to send and receive Christmas cards, no presents or food for their children, no court house, no police station or fire department facility or usable equipment, no drug store, no church, etc. It is all decimated and strewn across fields. If this is something told to you and you believe that it is fake, then I invite you to Mayfield or any of the decimated towns along that 200 mile stretch and put your hands on our wounds.”
It is my hope and prayer that we can all reach out to the victims of this and any disaster that affects our fellow human beings. WWG1WGA

With Love, Judy Byington

A. Global Currency Reset:

Mon. 13 Dec. MarkZ: Redemption Center Personnel have been working all weekend and were told they would continue to work full days until we finished exchanges. Meetings were going on in Zurich, Reno and Miami discussing implementation. Tier 4A Whales would continue to be flown to appointments throughout this week. The Dong was said to be at least the rate prior to the Vietnam War ($2 plus) and was rapidly raising in value.

https://www.twitch.tv/videos/1232782140

Sat. Night 11 Dec. Texas Snake: His banker was expecting sometime midday to late afternoon Sun. or early Monday morning where we would start to get notifications, and hopefully start going into the banks for our appointments late this week (Thurs. or Friday). He is thinking we will have 10-20 days to exchange before the public knows about it.

Sat. Night 11 Dec. Ed of Ocala: The debt ceiling of the US has to be raised by Wed. Dec. 15th or they (US Inc.) default on all their obligations. They have no real means to get it done. The RV is a desperate and necessary thing to happen at least the day before that (Tues. Dec. 14th). The funds are ready, but are not yet able to be down streamed. They’ve been working on our rates, and will be locking them in soon. All the countries have finally gotten their acts together and have gotten the QFS ready.

This past weekend Iraq was celebrating their 100th Anniversary. With the US Military withdrawn completely out of Iraq as of Mon. 13 Dec, Iraq was expected to soon announce their sovereignty. The kingpin of the Global Currency Reset – the Iraqi Dinar – had already revalued on Mon. 6 Dec. To pay out the GCR, Bonds have been moving in Zurich and some in Tier 3 have been paid partial amounts. Since Wed. 9 Dec. a number of large Whale 4A groups (including Paymasters and Group leaders) have been making arrangements to fly on private jets to their appointments.

Highlights of Sun. 12 Dec. Miracles Call Scott Mowry: 712-770-5402 Access: 767664#: There’s still an ongoing effort to get RV done before Christmas. People in Reno have an adamant mandate to get it done. We’ve been told the back wall is the 15th, but even if not, then by Christmas. This weekend there was a big meeting in Reno that included the Chinese Elders. There is an absolute feverish attempt to get this done as soon as possible. This has been delayed because it is such a complex all-encompassing. They are going back into everyone’s bank records to see what fraud has been committed and what people are owed. You will receive money back from the illegal fraudulent charges that have been levied against you.

Every 100 years or so there is a changeover in the world reserve currency. The cabal had wanted to do the Great Reset instead of the Global Reset. We are going to get free Tesla energy now. They are being constructing all over the US. Starlink is coming on board. Internet service is about to be activated. Starlink quantum internet.

The Federal Reserve in the year 2013, the U S Treasury put out a 100 dollar bill. There’s purple and gold lights at the White House. St. Germain. On Christmas the St. Germain trust will open. Put
together by St. Germain in the 1600s. Money set aside for humanity to be distributed at the right
time. I think the White House lit up in gold and purple is a sign that the St Germain trust is going to
be opened on Christmas. Supposed to be a fantastic Christmas. That’s what I’ve been told by high
level sources.

I. DUMBS and Underground War PART 1 of 3 Underground Military Bases in the United States, World Awakening:

In America alone, there are more than 120 deep underground military bases under most major cities, U.S. Air Force bases, U.S. Naval bases, and U.S. Army bases, as well as under FEMA military
training camps and DHS control centers. There are also many deep underground military bases under Canada.

Almost all of these bases are more than 2 miles underground and range from 10 to 30 miles in diameter. They are basically large underground cities connected by high-speed maglev trains that reach speeds of up to 2,500 miles per hour.

There is a lot of hard evidence. The U.S. government through NSA, DOD, CIA, DIA, ATF, ONI, U.S. Army, U.S. Marine Corps, FEMA, and DHS has spent more than $12 trillion to create a vast hidden infrastructure for the coming One World Government and other New World Religions over the last 40 years.

For example, under Denver International Airport is a military base Deep Underground that is more than 22 miles in diameter and extends 8 levels deep. It is no coincidence that the CIA moved the headquarters of its internal unit responsible for operations in the United States from Langley to Denver.

The government was obsessed with the idea of building this airport, although the budget ended up being grossly inflated. There were allegations of corruption, constant changes of construction companies, and mass layoffs of teams after their site was built, so “no” group had any idea what the airport was up to.

Inside you will find Masonic symbols and bizarre images of dead babies, burning cities, and women in coffins forming extensive frescoes. None of these are featured in the airport’s website section, which details the unique artwork throughout the building.

DIA serves as a cover for the huge underground structures built there. There are reports of electronic/magnetic vibrations sickening some people and giving others headaches. There are several acres of fenced areas with barbed wire facing inward as if to keep someone/something inside, and small concrete racks resembling mini cooling towers rise from nowhere to ventilate the underground levels.

The underground structure has a depth of 88.3 square miles. In fact, this underground base consists of eight cities stacked on top of each other. These city-sized bases can accommodate millions upon millions of people, whether they are mind-controlled enslaved soldiers of the New World Order world army or innocent and enslaved ground dwellers from the cities of America and Canada.

PART 2 of 3

There is a base in Dulce, New Mexico. Dulce is a small town in northern New Mexico, located at an elevation of 7000 feet on the Jicarilla Apache Indian Reservation. There is only one large motel and a few stores. This is not a resort town and there are no active activities. But Dulce has a deep, dark secret. The secret is hidden deep under the brush of the Mesa Arculet.

Purpose: research into functions related to the mind, genetic experiments, training in mind control and reprogramming. There are more than 3,000 video cameras installed throughout the complex, transmitting real-time information in high-security locations (entrances and exits). There are more than 100 secret exits in and around Dulce. Many are located near Arculeta Mesa, others south of Lake Dulce, and even to the east, such as Lindrith. The deep sections of the complex are connected to natural cave systems.

Level 1-Garage for road maintenance.
Level 2-Garage for trains, minibuses, tunneling machines and windshield maintenance.

Level 3-everyone is weighed naked, then given the shape of a jumpsuit. A person’s weight is recorded daily in a computer ID card. A medical exam and x-ray are required if the deposit is more than three dollars.

Level 4-Human research in the “paranormal” realms-mental telepathy, mind control, hypnosis, remote viewing, astral travel.

The technology is obviously here for you to learn how to manipulate the “bioplasmic body”. Developing a laser weapon that can remotely cause burns and discomfort to the target. You can lower your heart rate using deep sleep “delta waves”, cause a static discharge, and then reprogram it via the brain-computer link.

Security level 5 is tight. Armed guards patrol constantly, and in addition to weight-sensitive areas, there are stations for taking hand and eye prints. There is a device that allows for the transfer of atoms.

Level 6 is privately called the “Hall of Nightmares.” Here there are gene labs. Experiments on fish, seals, birds and mice that have changed significantly from their original form.

**Part 3 of 3**

Greenbrier’s facility in White Sulphur Springs, West Virginia, under the Greenbriar Resort. The Continuity of Government facility, designed to house the U.S. Congress since 1962 code-named Casper, is located on the territory of the renowned Greenbrier Resort.

The bunker is located under the West Virginia wing, which houses a full-service medical clinic. Construction of the facility, which began in 1959, required 2.5 years and 50,000 tons of concrete. The reinforced concrete walls of the bunker, which is 20 feet below ground, are 2 feet thick.

The space includes separate rooms for the House and Senate and a more spacious room for joint sessions. They are located in the “exhibit hall” of the West Virginia Wing, where there are car and pedestrian entrances that can be quickly closed with anti-explosion doors. They don’t even hide it, and this is a tourist attraction. The underground warehouse was built for the needs of the hidden Congress – in fact, the hotel is an exact copy of the White House.

The underground space contains a Senate chamber, a House of Representatives and a huge hall for joint meetings. Although the hotel claims to conduct daily tours of the 112,000-square-foot space, installation is still underway, and operators continue to work covertly inside the hotel. The secrecy of the property protected it from both public scrutiny and regulatory reevaluation.

Most Americans will not believe the American Holocaust will happen until they see it with their own eyes. Until then, it’s just another weird conspiracy theory they can laugh at. But there is no laughing here. When this happens, it will be too late to stop it.

The US government has been secretly involved in building an army of loyal, brainwashed soldiers of the future. They will have cybernetic implants and microchips and fight all over the world, no questions asked, with full loyalty, without hesitation or fear.

These soldiers were created at Brookhaven National Laboratories BNL, National Ordinance Laboratories NOL, and Massachusetts Institute of Technology MIT and secretly turned over to the
control and planning of the U.S. Department of Defense and NSA. Many of these soldiers are stationed at Deep Underground military bases, such as under Denver International Airport.

The above examples are just a few underground bases.

In fact, there are thousands of them around the world. All this information was studied, and it required a lot of effort to compare them properly. There are many networks of magnetic-based subways that originate from these complexes and lead to other subway bases. All soldiers working in these bases have microchips and are under complete psychotronic mind control.

Of the missing “cardboard box people” that the FBI placed on milk cartons, some were taken to these underground bases for genetic experimentation, microchips, psychotronic mind control, and cybernetic implants to brainwash them as soldiers.

Hundreds of thousands of people go missing every year in America. The creation of a total global fascist police state by the Illuminati will happen unless we all wake up and see what is happening. I find it surprising that so many people around the world refuse to believe that there are millions of UNISF and UNMNTF troops in America. Under the Partnership for Peace program established by President Bill Clinton in early 1993, thousands of military personnel come to America every month.

Jenny Hill’s witness to a Satanic Child Sacrifice Rite: http://www.youtube.com/watch?v=F626Lsrdwg4

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators worshipping Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal
that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset. It’s no wonder that President Trump has stated, “These people are sick.”

O. The Global Currency Reset and NESARA/GESARA was all about the Children
It’s not about the money. It’s about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world. The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites. Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: https://www.youtube.com/watch?v=4Mb9gU6DmKs

**Judy Note:** I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can’t tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what’s really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
